UNCOMPROMISING QUALITY

At Bar Mate, Our barware products are expertly designed and manufactured in an ISO-certified facility, ensuring the highest standards of quality and precision. Each product undergoes rigorous quality control to guarantee exceptional performance. Crafted from premium materials, our Barware is built for durability, a smooth finish, and user-friendly functionality, making it the perfect choice for professionals and enthusiasts alike.

SUSTAINABILITY COMMITMENT

We believe in creating products that not only elevate your bar setup but also respect the planet. By employing eco-friendly practices and minimizing waste during production, Bar Mate aligns with global sustainability goals.

TESTED FOR EXCELLENCE

Each item undergoes comprehensive quality checks, including durability testing, finish assessments, and usability trials. This commitment ensures that every Bar Mate product delivers exceptional performance, whether you're crafting cocktails at home or behind the bar in a bustling venue.

WOOD SMOKE GUN

What is a Smoke Gun?

Introduce the smoke gun, which is a handheld tool that adds smoky flavor and aroma to food without needing a full smoker setup.

How It Works: Briefly describe how it uses small wood chips to create smoke, which can then be infused into a dish or even trapped under a cloche.

Benefits in Food Flavoring: Explain how it allows chefs and home cooks to add a hint of smokiness to dishes without the hassle of traditional smoking.

BA MATE
ART OF MIXOLOGY

■ Smoke Gun Portable

■ SKU No:20241

■ Battery Operated

A food smoker is a device used to infuse food with a rich, smoky flavor by cooking or exposing it to smoke from burning or smoldering materials like wood, charcoal, or sawdust. Smokers are commonly used for meats, fish, vegetables, cheese, and even cocktails.

■ Wood Chips 20gms

■ SKU No:20243

■ Infuser 5x10.5 Inch

■ SKU No:202434

■ Wood Base

BUBBLE MAKER

What is a Food Bubble Maker?

Introduce the food bubble maker as a tool that creates flavor-filled bubbles, which are used as toppings for food or drinks. How It Works: Explain the basic mechanism—it's typically a small device that creates bubbles by trapping flavored smoke or essence in a thin film.

Benefits in Food and Drink Presentation: Describe how it elevates the presentation, adding a surprising pop of flavor right as the bubble bursts.

BUBBLE MAKER

Set includes all accessories

Customized Branding
We offer a personalized branding service by printing your logo on our high-quality acrylic drinkware

Customisation By Ba Mate

Enhance your brand's visibility with our customized logo printing on barware items. We specialize in personalizing a wide range of high-quality barware, including glassware, cocktail shakers, bottle openers, coasters, ice buckets, and more.

Advantages of Private Branding

Enhanced Brand Visibility:

Customized barware prominently showcases your logo, ensuring your brand is consistently visible to customers during their dining or drinking experience.

Increased Brand Recall:

When customers see your logo repeatedly on barware, it strengthens their memory of your brand, increasing loyalty and recognition.

Unique Marketing Tool:

Branded barware serves as a subtle yet effective marketing tool, promoting your business in everyday settings without overt advertisements.

Perfect for Events and Promotions: Logo-branded barware is ideal for corporate events, product launches, or promotional giveaways, leaving a lasting impression on attendees.

Revenue Opportunities: Selling or gifting branded barware, such as glasses or bottle openers, can create an additional revenue stream or act as an incentive for customers to return.

Versatility Across Venues: Whether used in bars, restaurants, hotels, or even at catered events, branded barware consistently carries your brand into diverse settings.

Durable Marketing Investment: High-quality branded barware lasts over time, providing long-term value and ensuring your logo remains visible for years to come.
